

## **CENTRAL SERVICES COST ALLOCATION PLAN**

### **Certificate of Cost Allocation Plan**

This is to certify that I have reviewed the cost allocation plan submitted herewith and to the best of my knowledge:

All costs included in this proposal for the fiscal year ended 9/30/03 which are used to establish cost allocations or billings are allowable in accordance with the requirements of with Office of Management and Budget Circular A-87, "Cost Principles for State and Local Governments," and the Federal award(s) to which they apply. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.

All costs included in this proposal are properly allocable to Federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.

I declare that the foregoing is true and correct.
